

Privacy Policy for Mferverse Companion

Kotobaza Inc

August 8, 2025

Introduction

Establishing trust with users by outlining how Kotobaza Inc handles personal data. This Privacy Policy explains how we collect, use, disclose, and protect information when you use Mferverse Companion, our iOS application.

Information We Collect

Identifying data points gathered during app usage. We may collect the following types of information:

- Device information (e.g., device type, operating system version, unique device identifiers) to optimize performance.
- Usage data (e.g., time spent in-game, features accessed) for analytics purposes.
- In-app purchase data (e.g., transaction IDs) processed via Apple's In-App Purchase system, if enabled.

How We Use Your Information

Utilizing collected data to enhance user experience. We use the information for:

- Providing and maintaining the app's functionality.
- Analyzing usage patterns to improve features and performance.
- Facilitating in-app purchases and ensuring transaction security.

Data Sharing and Disclosure

Detailing when and with whom data is shared. We do not sell your personal information. Data may be shared with:

- Apple Inc. for in-app purchase processing and app distribution.
- Service providers (e.g., analytics partners) under confidentiality agreements.
- Legal authorities if required by law.

Data Security

Implementing measures to safeguard user data. We employ industry-standard encryption and security practices to protect your information, though no method is 100% secure.

Your Choices

Empowering users with control over their data. You can:

- Adjust device settings to limit data collection (e.g., advertising identifiers).
- Contact us at info@kotobaza.games to request data access or deletion.

Children's Privacy

Ensuring compliance with child protection laws. Mferverse Companion is not intended for children under 13. We do not knowingly collect data from children.

Changes to This Policy

Notifying users of policy updates. We may update this Privacy Policy and will notify you via the app or website. Continued use after changes constitutes acceptance.
